Attention Mr. Tri M. Mai, Examiner:
Re: Application No. 10/678/943

Enclosed for your examination, reevaluation and consideration are the REMARKS/AMENDMENTS as requested by you through your **Office Action Summary** dated **1/12/2005** and **two subsequent phone conversations.**

Each page of changes in this patent application has been clearly identified and placed in groupings held with paper clips to separate and explain each page of changes or drawings. The TOP sheet in each grouping lists and explains the changes made. The SECOND sheet of each grouping is the PREVIOUS VERSION of the changed page. The THIRD sheet is the PREVIOUS VERSION with changes marked in red. The FOURTH and FINAL sheet of each grouping is a **clean replacement** sheet with all changes in place.

Thank you.

Sincerely,

Albert G. Brown
